

MARRIAGE WELLBEING COURSE

SESSION 9 – PRAYING TOGETHER

The questions below are related to this week's topic. We recommend that you don't share your answers with each other until you've both completed the assignment. Once finished, set aside time to discuss.

Please take your time answering the questions. Once you've had the opportunity to read through this week's scripture references, pray and ask God for help to give you wisdom as you write out your answers. The quality of your answers will depend on your level of honesty and transparency.

- 1) Describe what you believe prayer is. Explain your views on prayer and how it applies to your life.

- 2) What does your prayer life currently look like? This might include how often you pray, when you pray and what you typically say.

- 3) Do you pray together as a couple? Why or why not?

- 4) What do you believe would change about your marriage if you were to start praying together daily?

- 5) Read Psalm 50:15. Describe what you think God means by the last part of the verse.
